

School Photo Day

Colorfoto, the photographers will be in school to take your child's photo on Thursday 27th October.

The photographic team will be available to photograph external/pre-school family siblings, before the usual school photography starts. This will be from 7.45am. The cut off time for these photos will be 8.45am, and will not continue after this time.

Please note that children who have siblings already attending this school will be photographed together (and separately) during the day so will not need to arrive before 8.45am.

Breakfast club will run as normal.

Children can be dressed in clothing of your choice, or in school uniform.

Thank you,

Mr C. Coole
