

**Darran Park Primary School  
Return to School - Information for parents  
September 2021**

**Dear Parents/Carers,**

**We would like to take this opportunity to welcome you back to a new school year. We are really looking forward to seeing all of the children back in school on Monday 6th September.**

**There have been changes made to Covid guidance from the Local Authority. This is to inform you of the changes we will make in order to continue to make the transition back into school at this time as safe as possible for our children, staff and families. We would ask that you support us in implementing any safety measures and follow the guidance fully.**

**Yours sincerely,  
Mr C. Coole**

**Important Information**

- **All children will start school at 8.45am. Please try to arrive at school just before this time so children go straight to lining up rather than mix in the yard. See following page for further information regarding finish times.**
- **Your child's class teacher will meet the class in the yard to line up. (Except Nursery and Reception)**
- **Face coverings should be worn on school premises if possible.**
- **Children will need to continue to bring a healthy snack from home and a water bottle.**
